About Us

Transcendent Knowledge Society a Non-government Organization working towards Education Empowerment and Equality for People with Disabilities, registered under society registration act. It was established in 2015 as an alternative school for children with Intellectual and Development Disabilities (IDDs). Looking into the presents condition of PWIDDs globally, the work of the organization has shifted towards empowering these young people in the Vocational Training Centres & Designing Livelihood initiative as part of entrepreneurship project by creating an identity as an individuals.

Mission: Our Mission is to empower Persons with Disabilities with the knowledge skills, courage, access and capital to become successful entrepreneurs with more control over their lives.

Vision: TKS's vision is to empower Persons with Disabilities to make their own choices and to be celebrated as equal and valuable members of their families and communities.

Festivals and celebrations

Our intention is to celebrate all the festivals to make children aware of the celebration and prepare them beforehand. This celebration also helps the children to develop their social skills.

Project

- Wonder House(Alternative School)
- Empower and scaling different VTCs
- Livelihood Initiative

Our first project is the Wonder house which is an alternate school for children diagnosed with intellectual and development disabilities.

Few glimpses of the activities of the school that are conducted throughout the year.

Annual picnic with parents, staff, teachers and children:

In house workshop conducted by Mrs. Indrani Basu to empower our parents.

Dance Movement Therapy conducted by Dr. Aditi Bandopadhyay to train the teachers and

Every year we organize fun filled activity related to the change of season in order to make our children understand the seasonal cycle.

Summer Camp:

Monsoon Camp:-

Winter Camp:-

2ND Project:-

TKS as an organization always believes in empowering, individuals, parent and professionals through different workshops and conferences by expert from India as well as abroad.

3rd Project:-

LIVELIHOOD INITIATIVE "SIP N BITE" which was started in 2017 as catering service and later on scaled up as a bakery and backend kitchen support for 3 retail outlets. As a part of training our goal is to empower these people with the knowledge, skills, courage, confidence & access to capitals because they are been denied to being given training in any recognized institution due to their economic & intellectual conditions.

Sip N Bite has been already covered by leading news portals across India and has been also declared as the most sustainable and viable model for supported employment by National Institute for Empowerment for Persons with Multiple Disabilities.

Credentials:-

2018 has been an impacting year with full of events where we were acknowledged by leading Newspapers, e-portals & other big organization who have recognized our work & support us in our journey.

Our livelihood initiative Sip N Bite has been covered by the telegraph Metro, Economic times and DainikBhaskar. Our founder Secretary Amrita Roy Chowdhury has been awarded with National Women excellence award by Indo-European Chamber of commerce for the unique designing of entrepreneurship project Sip N Bite. This model has also been acknowledged as most sustainable and viable model by National Institute for empowerment of Persons with Multiple Disability.
